

I-400 Advanced ICS

State Fire Marshal Certified

This 16 hour course directs the student towards an operational understanding of large single-agency and complex multi-agency/multi-jurisdictional incident responses. Topics include: Fundamentals review for command and general staff, major and/or complex incident/event management, area command, and multi-agency coordination.

Course Objectives

- Identify the incident management process of command and general staff functions during complex incidents as prescribed by the Incident Command System
- Describe implementation of the incident management process on a complex incident
- Describe the management and coordination process during multiple incidents

Target Group

- Senior personnel expected to perform in a management capacity, in an area command/complex incident environment.

Prerequisites

- I-300, Intermediate ICS: ICS for Supervisors and Expanding Incidents

DATES: June 1st – 2nd Session 1 OR June 3rd – 4th Session 2
