Subject: Appointment of Emergency Medical Services Administrator

I am exceptionally pleased to announce the appointment of Thomas Lynch as the new Emergency Medical Services (EMS) Administrator for Santa Clara County. Tom will be joining our team beginning June 1, 2010.

Tom brings a wealth of experience to this role. Prior to this appointment, Tom served as the Executive Director of EMS for San Luis Obispo County from 1993 to 2006. More recently, he has served as the EMS Director for the County of Monterey from 2006 to present.

Tom is well regarded by the communities in which he has served, and by regional and state EMS partners. He is recognized as being an innovative and dynamic leader who builds strong partnerships and recognizes the value of a highly collaborative Emergency Medical System.

Please join me in welcoming Tom to Santa Clara County.
