

County of Santa Clara
Emergency Medical Services System

TRAINING OPPORTUNITY

Utilization of 9-1-1 System Resources & Interfacility Ambulance Transportation Services

PROVIDED BY
Santa Clara County EMS Agency

Date: June 4, 2010
Time: 2:00 PM – 3:30 PM
Location: Sunnyvale Community Center Ballroom
550 East Remington Avenue, Sunnyvale, CA

Course Description:

This training is ideal for hospital, long term care, skilled nursing and board and care facility staff to include directors, administrators, case managers, charge nurses, staff developers and social services. This course will present current 9-1-1 system issues relating to interfacility transports, identify the level of medical services provided by interfacility ambulance transportation and address concerns, clarify misconceptions, and facilitate solutions to questions of the EMS System. This forum will also provide the attendees the opportunity to interact with the 9-1-1 EMS System Providers and locally permitted interfacility ambulance providers.

There is **NO FEE** for participants. **SEATS ARE LIMITED**

To RSVP contact Inez Valdez:
Email at Inez.Valdez@PHD.sccgov.org or call 408-885-4250

This course has been approved for 1.5 hours of continuing education by the Santa Clara County Emergency Medical Services Agency, an approved California EMS CE provider 43-0001 and California BRN CE provider # 15149. This course will also be applicable for Emergency Medical Dispatch CE and Emergency Management CE.
